

3 Dynamic Adjustable Modes

Unmatched Comfort Powerful Noise Cancellation

Ergonomic Fit

Perfect for Long-Duration Use

Generic earplugs offer 60-minute continuous wear in 78% users.

Hushy earbuds beat ordinary earplugs in extended wear assessments.

Multi-Layer Breathable Material

Safely balances ear pressure while blocking noise

Leak gas layer
alleviates ear
pressure

Solid outer layer
blocks noise

Zero-pressure airbag
to wear without stress
on ears

Soft silicone ear cap
for snug, comfortable
fit

What's in the Box

1 Pair of Noise-cancelling ear plugs, 3 pairs of Interchangeable ear caps, 1 Silicone lanyard, and 1 Portable storage box

Lightweight, Flexible, and Invisible

- Adjustable to ear shape
- Best for discreet use - nearly undetectable
- Compact fit - easy to turn without ear buds slipping out

Deeper Focus & Instant Calm

Live life at your volume with premium noise-cancelling earbuds

Multipurpose - Day & Night Use

Block sounds during sleep, swimming, travel, and at work

Eco-Friendly & Safe

High-grade silicone material soft and gentle on the ears

Ergonomic Custom Design

Perfect fit with flexible caps for all ear sizes and contours
